### Bromley CAMRA Branch AGM

Following consultation with the CAMRA London Regional Director and National Chairman the branch committee has decided that the **next AGM will be in February 2018**, rather than in November 2017.

The reason for this change is to enable the most recent accounts to be reported to the AGM; the branch's financial year ends on 30 September, it has never been possible or feasible to be able to have audited accounts available for an AGM held in November.

*The actual date of the AGM will be confirmed shortly and everyone will be notified in Whats Brewing and the next issue of the branch newsletter.*

### Greater London CAMRA Regional Club of the Year 2017

Bromley CAMRA are pleased to be able to announce that CAMRA Greater London Region have selected **Orpington Liberal Club** as their Regional Club of the Year for 2017. This is the *2nd time* that the club has received this award, having previously held the title in 2015, when it subsequently went on to reach the 'final four' in the national award.

The award presentation will be made by Geoff Strawbridge, London Region Director, on **Monday 6th November at 8:30pm**. The club has also arranged a 'pump takeover' and 'meet the brewer' event for the same evening with Goody's Brewery. All members are welcome to attend for the evening, but please remember to *bring your CAMRA membership card* with you to access the club as a guest.
