Why not work up a thirst by joining us on the 5th Bromley Cramble?

This year we'll be doing a stroll from Biggin Hill, via Downe and Keston to Hayes. In total the walk is about 6 miles, but it will be possible to leave or join the group at various points along the route. There will be time to stop at up to 4 pubs along the route, and we finish at Hayes Station, with a choice of a pub, a micropub, and a club! Start time is noon at Biggin Hill (Black Horse) bus stop.

More details, including a downloadable information sheet are available on the branch website.

The Cramble will finish in Hayes at about 17:00. At approx 17:30 the 2019 Bromley Pub of the Year joint runner-up award will be presented at the Real Ale Way

6th Bromley CAMRA Beckenham Beer and Cider Festival Beckenham Rugby Club

25th-27th July 2019 12:00pm - 11:00pm

As you know the beer, and cider, festival is fast approaching. We think we had a great line-up of beers last year and we have tried to match that this year.

We have beers from many places in the country, some from less than two miles away and some from well over 400 miles away. Kent & Sussex beers, beers from Wales & Scotland, beers representing both the Red & the White Rose, beers from major cities and beers from tiny hamlets. Beers from established brewers and from really new brewers, and beers from brewers newly back into cask. And there is not just variety of source but of style as well. Bitters, stouts & porters for the more traditional palate, session beers for those taking it easy. Pales with hops from many different countries for a variety of interesting flavours including single hop beers. Several gluten free beers, and a number of speciality beers for those who want to stretch their taste buds with flavour combinations that are new *and* that are old. We will also have some great beers on the keg bar and a wide range of flavours and styles on the cider bar. So there should be something for everyone!

Please support Bromley CAMRA by making every effort to attend the 2019 Festival with family and friends as we aim to build on the huge success and positive feedback from the Festival last year. We have an even more exciting range of beer and cider and we are delighted that the Festival will be opened officially on Thursday by the Mayor of Bromley.

We look forward to seeing you there.
